DEPARTMENT OF CIVIL ENGINEERING

ABOUT THE DEPARTMENT

In the realm of modern infrastructure development and sustainable growth, the field of civil engineering stands as a cornerstone of progress and prosperity. At Vaigai College of Engineering, we recognize the profound importance of civil engineering in shaping the future of our society. Our Civil Engineering Department, established in 2012, is committed to nurturing future civil engineers who will not only design and construct the physical infrastructure that underpins our lives but also contribute to the creation of a sustainable and resilient built environment.

Our department is distinguished by its faculty of renowned experts, each bringing a wealth of knowledge and experience in their respective specializations. Their dedication to teaching and their passion for the field inspire our students to excel, instilling in them the technical expertise and problem-solving skills required to navigate the complexities of modern civil engineering projects.

Our commitment to providing our students with a holistic learning experience extends beyond the classroom. We actively encourage our students to participate in industry internships, research projects, and professional development programs. These opportunities allow our students to gain hands-on experience, apply their theoretical knowledge to real-world challenges, and develop the professional skills that are highly sought after by leading engineering firms.

The success of our Civil Engineering Department is reflected in the impressive placement record of our graduates. Our alumni hold prominent positions in renowned organizations across India and abroad, contributing their expertise to the construction industry, infrastructure development projects, and environmental engineering initiatives. Their achievements are a testament to the quality of education and the holistic learning environment we provide at Vaigai College of Engineering.

As we embark on a new era of infrastructure development and sustainable growth, the Civil Engineering Department at Vaigai College of Engineering stands ready to equip the next generation of civil engineers with the knowledge, skills, and values necessary to shape a better future for our society. We invite you to join us in this journey of innovation and progress, as we transform aspiring minds into the architects of a sustainable and resilient tomorrow.

VISION

To promote excellence in civil engineering and impart quality technical education to the students with an emphasis on research and societal needs.

MISSION

- To provide an holistic learning ambience to develop problem solving skills and research activities.
- To cultivate leading and practicing engineers.
- To motivate the students to pursue higher education and to become future entrepreneurs.
- To propose services for the development of the society through new technologies.
- • To educate professional ethics among students.

CIVIL ENGINEERING PLACEMENT

04 -November - 2023

About karthikeyan Construction

Karthikeyan Construction, established by a visionary civil engineer at the age of 27, is a dynamic and innovative company driven by a passion for excellence and a commitment to quality. Despite his youth, our highly skilled founder's expertise laid the foundation for our success. Specializing in prestigious projects, we focus on the maintenance of heritage structures, proudly contributing to the preservation of Tamilnadu's historical landmarks, including Keeladi, Gandhi Museum, temples, and more.

Dear Vaigai Vibrants,

We are thrilled to share the exciting news that our recent placement drive, organized by the Vaigai College Placement Cell for final year civil engineering students on November 4, 2023, was a resounding success. The event attracted esteemed recruiters, and we are pleased to announce that Karthikeyan Construction, a renowned name in the industry, participated as the recruiting company.

Recruiter: Karthikeyan Construction

Nature : Heritage structure

Date : 04.11.2023

Venue : VCE - Madurai

Successful placement

We are thrilled to share the exciting news that our recent placement drive, organized by the Vaigai College Placement Cell for final year civil engineering students on November 4, 2023, was a resounding success. The event attracted esteemed recruiters, and we are pleased to announce that Karthikeyan Construction, a renowned name in the industry, participated as the recruiting company.

The selection process conducted by Karthikeyan Construction was rigorous, ensuring that only the best and brightest candidates were chosen for their upcoming projects. We are proud to announce that four of our talented civil engineering students (Jeyakumar.R, Ponlogesh Waran.S, Tamizhmani.N and C.Sagumiya) emerged successfully from the interview process and secured coveted positions with Karthikeyan Construction.

This achievement reflects the dedication of our students, guidance from faculty, and the strong support at Vaigai College. Congratulations to the selected students, and gratitude to Karthikeyan Construction for recognizing our engineers' potential. The success highlights our commitment to quality education and industry connections, anticipating more accomplishments ahead. Thank you to all contributors to this placement drive's success.

"Move forward. Good things are up ahead."

CIVIL ENGINEERING PLACEMENT

03 -November - 2023

About RiDh Engineering Service

RiDh is your premier solution for top-quality REBAR design and detailing. We've experienced steady global growth, serving clients across the US, UK, Europe, UAE, and India. Our focus is on delivering precise and reliable reinforcement detailing within project timelines. With expertise in structural engineering, we offer a cost-effective one-stop solution for detailed RCC elements. Established in 2014, RiDh operates from India with headquarters in Florida, ensuring value in engineering and project success.

Dear Vaigai Vibrants,

We are delighted to share the exciting news that our students showcased their exceptional skills and secured a placement opportunity at the recent placement drive organized by RiDh Engineering Service at Sethu Institute on November 03, 2023.

In this highly competitive environment, our final year students demonstrated their academic excellence and professionalism, making us proud at every step. The placement drive witnessed an impressive participation from our students, reflecting their dedication and commitment to their future careers.

Recruiter : RiDh Engineering Service

Nature : REBAR Design & Detailing

Date : 03.11.2023

Venue : SIT - Madurai

Successful placement

Participating Students:

Numerous final year students from various esteemed institution actively participated, showcasing their skills and knowledge in various engineering domains.

Shortlisting and Selection:

We are pleased to announce that two of our students stood out and were shortlisted during the placement process. Following rigorous evaluations, one outstanding student emerged as the final selection, exemplifying the high standards of education and preparation at our vaigai college of engineering .

Selected Student:

C.Sagumiya - IV year Civil has been selected by RiDh Engineering Service, marking a significant achievement for both the student and our institution. We extend our heartiest congratulations to C. Sagumiya on this accomplishment.

This success stands as a testament to the quality education and mentorship provided at vaigai college of engineering, preparing students to excel in the professional realm. We commend the efforts of all participating students and express our gratitude to RiDh Engineering Service for providing this valuable platform for career opportunities.

Let us continue to strive for excellence, fostering an environment that nurtures talent and prepares students for successful and fulfilling careers.

"Move forward. Good things are up ahead."
