

Mechanical Engineering

Department of Mechanical Engineering

Vaigai College of Engineering, Madurai.

ABOUT THE DEPARTMENT

The Department functions with 10 teaching faculty and 3 supporting staff. The faculty members are specialized in different areas of mechanical engineering such as Production, Engineering Design, Manufacturing, Thermal Engineering, and CAD/CAM. They have a keen interest in updating their knowledge by regularly attending FDP's, workshops, seminars, webinars and international conferences. The department consistently maintains good academic records and produces quality Mechanical Engineers.

The following laboratory facilities are available to fulfil the university curriculum and to pursue research work:

- * Manufacturing Technology Laboratory
- * Thermal Engineering Laboratory
- * Dynamics Laboratory
- * Metrology and Measurements Laboratory
- * Strength of Material Laboratory
- * Mechatronics Laboratory
- * CAD / CAM Laboratory
- * Engineering Practices Laboratory

The department regularly conducts symposiums, technical paper contests at the National level, guest lectures by experts. The Mechanical Engineering Students Association (MESA) to enhance organizing skills and to bring out inner potential and innate talents of the students. The department inculcates technical knowledge and skill set among students through technical and non-technical activities.

Mechanical Engineering

Department of Mechanical Engineering

Vision

- To become a centre of excellence in Design, Automation and Research by producing self motivated, creative, innovative real Mechanical Engineers for the benefit of Society.

Mission

- To attain academic excellence through effective teaching- learning process.
- To encourage open-mindedness in their approach to independent thinking equipped with ethical, environmental and societal aspects.
- To collaborate with the industries in taking up consultancy projects, internship and industrial visit for gaining current industrial practices.
- To enhance “Leadership & Entrepreneurship skills” of the students.
- To Promote Project Oriented Learning.

Placement Record 2021 – 2023

Our Training and Placement Team organizes regular aptitude / technical training programme to develop technical skill and personality development programmes to improve soft skills.

Mission Statement

- ✚ To Develop Life Skills
- ✚ To Develop Job-Ready Talents.
- ✚ To Arrange Industry Training.
- ✚ To Offer Guidance for Higher Studies

Dear Jegatheeswaran.G,

It has been a pleasure interacting with you during selection process. Congratulations & welcome to TechGenzi family.

We are pleased to offer you the internship-cum-placement with TechGenzi Private Limited, your expected starting date will be **27-Feb-2023** and you will be reporting to company designate. You will be asked to sign non-disclosure and confidentiality agreement at the beginning of your internship. Following are the terms of your internship-cum-placement offer.

Place of Internship / Work: Base location - Coimbatore (Address: 90, Raja Annamalai Road, Ramachandra Layout, Saibaba Colony, Coimbatore, Tamil Nadu 641011).

Position: Full time

Compensation:

- No stipend will be paid during the internship period.
- Upon successful completion of internship, based on the performance during the internship, you will be considered for the "Engineer Trainee" (3 months duration or the final year course completion) and then placed as a software developer.

Designation	Duration from date of joining	CTC (Per month)	CTC (per annum)	Percentage hike
Internship	3 months	None	None	
Engineer Trainee	Next 3 months or till the course completion	INR 10,000/-	INR 1.2L	
Software Developer	Next 12 months	INR 15,000/-	INR 1.8L	50%
The pay revision is based on market and performance. The amount is prorated depending on your joining date. The Company reserves the right to review, alter, or amend the plan at any time				

Note: You shall be using your own laptop as BYOD (Bring your own device)

General Terms:

- You are expected to comply strictly with company policies and principles.
- Upon joining in the roles of the organization, the first hundred and eighty days (180) of employment shall constitute a probationary period during which period the employer may, in its absolute discretion, terminate the Employee's employment, without assigning any reasons and without notice or cause. After the end of the probationary period, the employer may decide to confirm the employment of the employee, in its sole discretion
- You are expected to be flexible to take any assignments per organization needs from time to time and the relevant assignments from its group of companies, as applicable
- All reasonable expenses arising out of deputation / travel shall be reimbursed assuming that the same have been authorized prior to being incurred and with the provision of appropriate receipts
